

Summer Fishtrap 2009 Registration

Registration opens April 1. No workshop registrations will be confirmed until April 15. On that date, we will draw names for workshops with more demand than space. We will try to get you into your second choice if you do not get into your first choice. After April 15, all workshops will fill on a first come, first served basis. **You may also register and pay online at www.fishtrap.org**
